The Curriculum

The pursuit of excellence encouraged at V.W.S. rests on the positive belief that every individual is unique and his qualities must be nurtured to the optimum.

- The VWS is a day boardig school from class Nursery to VI (session 2020-21) with proposed CBSE curriculum, in due course of time.
- Science programs designed by IIT backed Faculty
- Scientifically designed by senior scientists and educationists with an experience of more than 20 years across more than 50 countries
- Child centered and global in approach
- Innovative and activity based, allowing the strengthening of the basic concepts
- Designed to stimulate the intellectual abilities through investigation, experimentation and deduction.
